Captain's Log:

Dear Pilots:

Just want to tell you all what a great International Convention we had in San Diego. Kathy and I had a great time.

We have been working getting the plan of works and the budget all prepared for the new year. I want to thank everyone that has signed up for the different divisions, without everyone working together the Pilot Vision could never be met. I know if you haven't signed up yet that you will.

Summer is still here and we are all busy doing summer activities, soon it will be fall and then our thoughts and actions should flow into "What can I do for my Pilot Club". I am excited about this year and look forward to it.

Take care and see you on the 4th.

Remember our Pilots that are having health problems.

Connie

Sunshine Report:

I spoke with Casey; right now she will have to take one pill each day for the next 5 years as part of her treatment. She is doing well.

Sharon Dickens's Brother-in-law, Kenneth, is in Emory Rehab Center. He is working to get his mobility back. Please continue to pray for him.

Please remember our Pilots, co-pilots and their families in your thoughts and prayers

Betty

PONDERISMS:

- Never take life seriously. Nobody gets out alive anyway.
- How it is one useless match can start a forest fire, but it takes a whole box to start a campfire?

Division News:

Projects:

Fleta Ney

A new Pilot year is under way and the Division groups have met to decide on the budget for the up and coming year. We are making plans for great projects (some old and some new ones). With the help of each of you, we will have another great year in our Pilot Club. Cheryl and I appreciate all of you that signed up for Projects. We plan on having lots of fun along with helping our community and giving of ourselves to others. We will be having a Projects Division meeting in the near future to start planning our activities. We will call you with time date and place.

Fleta and Cheryl

Fund Raising:

Glenda Ridley

I am happy to report we had a net profit of \$14,428.17 for the Dairy Festival this year. Thanks again everyone for outstanding work. We will do an evaluation of the festival events at our August Meeting.

Glenda

Anchor News:

Club Operations:

Judy Jones

I just want to remind everyone that August is when we reveal Secret Pals and fill out another form for our new Secret Pal. Also you will be assigned a job in the different divisions if you have not already signed up for one.

Judy

Interesting bit of trivia:

Coral- from sea animals – Pearls from sea animals – amber from petrified trees – Ivory from elephants are four materials considered almost as valuable as gems

Having a family get together, church function or just a dinner at home. This recipe is always easy and great for hot summer days.
