## Captain's Log:

Dear Pilots:

Ladies I can't wait for my year to begin. I know we are going to have a fun year. Kathy and I are getting excited about our trip to San Diego.

Ladies, we need to get some younger, new members to help at the BBQ tent and our other projects. I was one tired puppy when I got home. If you have any suggestion about anything please feel free to call me.

Well that's all I got at this time. See you in July

Connie

- All of us could take a lesson from the weather. It pays no attention to criticism.
- Who was the first person to look at a cow and say, "I think I'll squeeze these dangly things here, and drink whatever comes out?"

### Interesting bit of trivia:

Tomatoes, potatoes, peppers, corn, tobacco, peanuts, chocolate, vanilla, squash, pumpkin, zucchini, and sunflowers are all native to the Americas, and did not exist in the rest of the world before Columbus.

### Happy 4<sup>th</sup> of July everyone -- try this recipe for a great grilling experience

#### Pineapple Bacon Burgers

These juicy double-decker burgers are given a flavor boost from bottled barbecue sauce and topped with tangy pineapple and crisp bacon. They're great on their own, with or without the bun, but love the company of fries or coleslaw.

#### Ingredients

- 2 pounds lean ground beef
- 1/2 cup prepared barbecue sauce
- 1 (8 ounce) can sliced pineapple
- 8 slices bacon

#### Cooking Instructions

1. Prepare grill for indirect cooking.
2. In a large bowl, mix together hamburger meat and barbecue sauce. Season with salt and pepper.
3. Shape mixture into 4 large patties. Place a slice of pineapple on top of each. Crisscross 2 bacon strips around each burger, and secure with toothpicks.

4. Brush oil on grate. Place burgers on grill over medium low heat. Cook, covered, until the burger is cooked through. Turn often to avoid burning the bacon.

### The secret is out! Bar-B-Que sandwich anyone??
