Happy Pilot Club Founders Day Ladies!

I hope everyone is having a good start to their fall. I am so glad that we finally got some rain; just a little too late for the hay fields. At least I am not perspiring every time I step out of the air conditioning now that it is a little cooler.

We are going to have a great co-pilot meeting this month. Gerrye and the Gerryettes are coming up with a good theme and program. I can't wait to see what they have planned for us. October 8th is also Fall Council in Macon for the GA District. I still need someone to attend with me. Do I have any takers? Last year it was one of the high lights of my year to attend that day. They really made the day relevant and meaningful.

The end of the month is the Eatonton fall festival. Each Pilot needs to think about what times they can work and bring their enthusiasm for those few hours. It is a nice time of year and I love everyone's decorations for fall and Halloween! Is there anything we can give away for free to kids? This is a great time for us to do PR and outreach for our club. Lets have a sign up sheet ready for people that would like more information about Pilot Club.

Sincerely,  
Kathryn Hill - President!

**REMINDER – BRING YOUR USED MAGAZINES TO THE MEETING THEY WILL BE DONATED TO OUR LOCAL HOSPITAL.**

## Projects

### Fleta Ney

Just as in recent years, 2011 is flying by at a fast pace. I hear the older you get the faster time goes by also. My clock is beginning to run at top speed! It is hard to believe but the Project Committee will start working on our Christmas parties in the near future.

Our next project is Brain Minders at the Primary School and Gatewood. Jerry and Sharon are planning and getting ready for it. We will need volunteers to help at the Primary School. Jerry will let us know the date at our October meeting.

See you in October at the Masonic Lodge.
