Sounds like our September meeting is going to be a busy one. It will be our Civic Night program and we need as many members to attend as possible. We will also be voting on our Club Sweetheart for the 2009-2010 year. This is an honor to receive so plan on being present in order to cast your vote.

I called the elementary school and found out that Putnam County schools will start on Tuesday, September 8. I spoke to the principal and she is delighted that we will be able to help guide the children in the lower grades to their classes. The look on the little ones faces is priceless as they enter this new world! It will be a FUN morning. If you have any questions about volunteering for this project, please call Cheryl (706-473-1465) or Fleta (706-484-4747).

Sunshine Report:

C. V. Alligood, Co-Pilot of Leonell was transferred from Oconee Regional Hospital to Emory on August 25th. A team of Doctors have been in to see him and a MRI was performed. Will update via e-mail when I know more.

Veta Powers had surgery on her left Hand on August 14th and is doing well.

Velle Jordan had cataract surgery on her left eye August 20th. Doing great.

Please remember our Pilots, co-pilots and their families in your thoughts and prayers

PHILOSOPHY:

- When in doubt, just take the next small step.
- Don't compare your life to others. You have no idea what their journey is all about.

PONDERISMS:

- When everything is coming your way, you're in the wrong lane.
- How much deeper would the ocean be without sponges?
- What happens if you get scared half to death, twice?

One of the projects the Pilot Club of Eatonton does that makes a difference in our Community.

The Pilot Club of Eatonton recently donated \$400.00 to the Uncle Remus Library. Librarian Pat Mason said they would use the money to make additions to the library's media center. The media center was started several years ago with donations from the Pilot Club.

Left to right. Sharon Dickens, President 2008-09, Pat Mason, and Ruth Von Duhn, Project Coordinator.
